## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

As an authorized International Baccalaureate Primary Years Programme (IBPYP) school, Rosewood Elementary is part of a global network of schools committed to developing the intellectual, personal, emotional and social skills students need to live, learn and work in a rapidly globalizing world. We have purposefully integrated the state standards of all content areas into six themes with thirty-six unit planners which encompass all students K5 through 5th grade. The units are spiral and are not repeated in content or activities. As a component of IBPYP, all students at Rosewood are learning French, with students in grades 3-5 following the KITE-LL foreign language program for daily instruction. The Learner Profile is a major focus within our school and is used as a tool for character development. Rosewood Elementary was proud to receive the Palmetto Gold Award for Academic Achievement based on PASS scores. The school also received the Palmetto Silver Award for Closing the Achievement Gap. The combination of these two awards reaffirms that all students at Rosewood are learning at high levels. Rosewood is committed to inquiry-based learning, and differentiated instruction. The school implemented the state's Response to Intervention Model for early intervention of academic and behavioral difficulties. Monthly parent workshops were conducted to provide parents with skills to ensure their child's success. The data collected from technology based programs such as Waterford in grades K-2, Measures of Academic Progress (MAP) in grades 2-5, and SuccessMaker in all grades is combined with results on common assessments to inform instructional decisions in the classroom. The 2012 Exhibition's overarching theme was "Change Impacts Outcome". The central idea was the relationship between change and outcome being interchangeable. The students related this to societal conflicts and environments. There were 8 groups which were the following: Take Action; Environmental; Health; Art; Business; Education, and the DVD group, a culminating activity of all of the groups as they developed their topics. Social skills, communication skills, self-management skills, research skills, and thinking skills were intertwined into all aspects of their theme. Their total earnings were over a \$1,500. Students created beautiful sculptures, paintings, and 3-D art work. Their entire 'Exhibition' was seen through different perspectives and an understanding of the needs and the importance of the issues that the world faces today. The Rosewood PTO had a productive year that included monthly movie nights for families, partnerships with local restaurants for Spirit Nights, a successful Bingo night, celebrating student birthdays each month during lunch, providing lunches and recognition of teachers, and coordinating volunteers for various activities and projects at the school.
